San Marcos, TX

Dear Hiring Committee,

I am excited to apply for the Food Service Worker/Cashier position with Commons dining hall State University. As a dedicated student pursuing a Bachelor of Science in Computer Science, I bring a strong work ethic, adaptability, and hands-on experience in food service that aligns perfectly with the needs of this role.

My prior roles as a Kitchen Helper and Food Service Worker in Nepal honed my skills in maintaining cleanliness, preparing and serving food, and ensuring efficient kitchen operations. These experiences taught me the importance of teamwork, prompt service, and upholding hygiene standards, which are vital in providing an excellent dining experience. Additionally, my volunteer work at Manav Sewa Ashram emphasized organization, multitasking, and community impact—values that resonate with commons dining hall's mission.

What excites me most about this opportunity is the chance to work within the vibrant campus community, contributing to a welcoming dining environment while further developing my professional skills. With my experience in fast-paced environments and a commitment to excellence, I am confident in my ability to exceed expectations in this role.

I would be thrilled to discuss how my background and passion for service align with commons dining hall. Thank you for considering my application, and I look forward to the opportunity to contribute to your team.

Sincerely,

Nirjal kc
